

OVERALL SCORE

73 /100

AI-Readable

Executive summary

This site is mostly readable by AI tools, with a few improvements still recommended. Key strengths include AI guidance file and plain-text page access, while content signals and homepage access need attention. Recommended next step: add the standard directive 'Content-Signal: ai-train=no, search=yes, ai-input=yes' to the crawler policy file, HTML metadata, or HTTP headers so AI systems can discover content usage preferences.

Recommended next step

1. Review AI crawler Disallow rules and keep only the paths that should be excluded from AI crawler access; serve a non-empty HTML homepage with a canonical link tag.

2. Review AI crawler Disallow rules and keep only the paths that should be excluded from AI crawler access.

3. Add the standard directive 'Content-Signal: ai-train=no, search=yes, ai-input=yes' to robots.txt, HTML metadata, or HTTP headers so AI systems can discover content usage preferences.

Sitemap

Pass10/10

The sitemap index is valid and the checked child sitemap contains URL entries.

Markdown support

Pass15/15

The homepage returns markdown content when requested with Accept: text/markdown, giving AI systems a cleaner text representation with less navigation chrome to parse.

Semantic HTML

Warn5.7/10

Avoid skipped heading levels so sections progress from h1 to h2 to h3 without gaps. Add missing semantic elements: main, article. Add visible body copy after script and style removal so the page has at least 200 words.

Structured data

Pass10/10

Valid JSON-LD structured data was found with core Organization or WebSite schema.org types.

Content signals

Fail0/5

Add the standard directive 'Content-Signal: ai-train=no, search=yes, ai-input=yes' to robots.txt, HTML metadata, or HTTP headers so AI systems can discover content usage preferences.

## Suggested fixes

Fix Content signals

HTML

<meta http-equiv="Content-Signal" content="ai-train=no, search=yes, ai-input=yes" />  
<meta name="content-signal" content="ai-train=no, search=yes, ai-input=yes" />
